

Mumford & Sons - Hold On To What You Believe

Tom: C
Intro: 4x: Am G C

Am
I
I can't promise you that I won't let you down
And I
I can't promise you that I will be the only one around
When your hope falls down
But we're young
Open flowers in the windy fields of this war-torn world
And love
F7M C
This city breathes the plague of loving things more than their cre-at-ors

Pequeno Riff do Interlúdio:

Am
I ran away
I could not take the burden of both me and you
It was too fast
Casting love on me as if it were a spell I could not break
When it was a promise I could not make

Am G C
But what if I was wrong?
Am G C
O what if I was wrong?
Am G C Am G C
But hold on to what you believe in the light
Am G C C2
When the darkness has robbed you of all your sight (2x)

Pequeno riff do interlúdio:

Am
And now this land
G F7M C
Means less and less to me without you breathing through its trees
Am
At every turn

G F7M C
The water runs away from me and the halo dis-appears
G F7M C
And the hole when you're not near
Am G C
So what if I was wrong?
Am G C
O what if I was wrong?
Am G C Am G C
But hold on to what you believe in the light
Am G C C2
When the darkness has robbed you of all your sight (4x)

One strum:

Am G C Am G C
So hold on to what you believed in the light

Acordes
