

Mumford & Sons - Holland Road

Tom: D

(com acordes na forma de C)

Capostrate na 2ª casa
Intro: C F C F C G Am

So I was lost
Go count the cards before you go
to the Holland road
With your heart like a stone you spare no time in lashing out
And I knew your pain
and the effect of my shame but you
cut me down
you cut me down

(C)

And I will not tell
the thoughts of hell that carry me home
from the holland road
With my heart like a stone i put up no fight
to your callous mind
And from your corner you rose to
cut me down
you cut me down

(C F C F C G Am)

So I hid my love
and little did I know

that would not be the end
from the holland road
Well i rose and i rose and i paid less time
to your callous mind
and I wished you well as you
cut me down
you cut me down
But I still believe
though there's cracks, you'll see
When I am on my knees I will still believe
And when I have hit the ground
neither lost nor found
If you'll believe in me I will still believe

(Am)
(F C Am G)

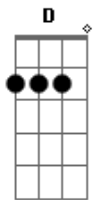

Aaaaaah Haaaaaa
Aaaaaah Haaaaaa

And I will still believe though there's cracks you'll see
when I am on my knees I will still believe
And when I have hit the ground
Neither lost nor found
If you'll believe in me I will still believe

(F C Am G)
