F G C  
I know that things are broken  
F G C  
I know there's too many words left unsaid  
F G Am  
You say you have spoken  
F G C  
Like the coward I am, I hang my head  
  
And you lay careless your head on my chest  
And don't even look at me looking my best  
And all these things I can't describe  
You would rather I didn't try

Refrão:  
F G Am G C G C  
But please don't cry, you liar  
F G Am G C G C

Oh please, don't cry, you liar

( F G C ) (2x)

Your hands cold as they find my neck

All this love that I've found I detest
