Oh babe, meet me in Tompkins Square Park
Dm
I wanna hold you in the dark

And oh babe, can you tell what's on my tongue?
Dm
Can you guess that I'll be gone?
Am
With the twilight
Bb
With the twilight

Refrão:

Bb Dm C
But no flame burns forever, oh no
Bb
You and I both know this all too well
Dm C
And most don't even last the night
No they don't, they say they don't

Verso 2:

F Am
Oh babe, I've never been so lost
Dm
I wanna hear you laugh
Am
One last time
Bb
Just one last time
F Am
But oh babe, I really wish you would not cry
Dm
I only ever told you one lie
Am
When it could have been a thousand
Bb
It might as well have been a thousand

Refrão:

Bb Dm C
But no flame burns forever, oh no
Bb
You and I both know this all too well
Dm C
And most don't even last the night
No they don't, they say they don't
Bb Dm C
And we can talk it round again girl
Bb
Round and round, round and round again
Dm C
Or we could leave it out to die
Leave it out just leave it out

Ponte:

Gm Dm
I never tried to trick you babe
C
I just tried to work it out
Gm
But I was swallowed up by doubt
Bb Dm
If only things were black and white
C
Cause I just want to hold you tight
Gm
Without holding back my mind
Bb
Without holding back my mind

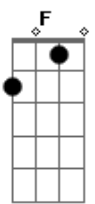

Base do solo

Bb Dm C C
Bb Dm C C

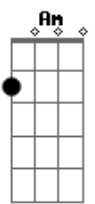

Refrão:

Bb Dm C
But no flame burns forever, oh no
Bb
You and I both know this all too well
Dm C
And most don't even last the night
No they don't, they say they don't
