

# Mumford & Sons - Unfinished Business (White Lies)

Tom: C

Just me a second darling to clear my head,  
 Just put down those scissors baby on the single bed,  
 The sand in the hourglass is running low,  
 I came through thunder the cold wind the rain and the snow,  
 To find you awake by your window sill  
 A sight for sore eyes and a view to kill

I broke down in horror at you standing there,  
 The glow from the moon shone through cracks in your hair,  
 I shouted with passion 'I love you so much',  
 But feeling my skin it was cold to the touch,  
 You whispered where are you? I questioned you doubt,  
 But soon realised you were talking to God now,

Refrão:

But you've got blood on your hands,  
 And I know its mine I just need more time,  
 So get off your low lets dance like we used too,

And there's a light in the distance,  
 Waiting for me I will wait for you,  
 So get off your low lets kiss like we used too

Verso 2:

I looked in the mirror but something was wrong,  
 I saw you behind but my reflection was gone,  
 There was smoke in the fireplace as white as the snow,  
 A voice bekoned gently, 'Now its time to go',  
 A requiem played as you begged for forgiveness,  
 Don't touch me I screamed I've got unfinished buisness

Refrão:

But you've got blood on your hands,  
 And I know its mine I just need more time,  
 So get off your low lets dance like we used too,  
 And there's a light in the distance,  
 Waiting for me I will wait for you,  
 So get off your low lets kiss like we used too (2x)
