

Mumford & Sons - Unfinished Business (White Lies)

```
Tom: C
Just me a second darling to clear my head,
Just put down those scissors baby on the single bed,
The sand in the hourglass is running low,
I came through thunder the cold wind the rain and the snow,
To find you awake by your window sill
A sight for sore eyes and a view to kill
I broke down in horror at you standing there,
The glow from the moon shone through cracks in your hair,
I shouted with passion 'I love you so much',
                          Em
But feeling my skin it was cold to the touch,
You wispered where are you? I questioned you doubt,
But soon realised you were talking to God now,
Refrão:
But you've got blood on your hands,
And I know its mine I just need more time,
So get off your low lets dance like we used too,
```

```
And there's a light in the distance,
Waiting for me I will wait for you,
So get off your low lets kiss like we used too
Verso 2:
                           Fm
I looked in the mirror but something was wrong,
I saw you behind but my reflection was gone,
There was smoke in the fireplace as white as the snow,
A voice bekoned gently, 'Now its time to go',
A requiem played as you begged for forgiveness,
Don't touch me I screamed I've got unfinnished buisness
Refrão:
But you've got blood on your hands,
And I know its mine I just need more time,
So get off your low lets dance like we used too,
And there's a light in the distance,
Waiting for me I will wait for you,
So get off your low lets kiss like we used too
                                                        (2x)
