

# Mumford & Sons - Whispers In The Dark

Tom: D  
(com acordes na forma de Capostrate na 2ª casa C )

You hold your truth so purely  
Swerve not through the minds of men  
This lie, it is dead  
And this cup of yours tastes holy  
A brush with the devil can clear your mind  
And strengthen your spine  
But fingers tap into what you were once  
And I'm worried that I blew my only chance  
Whispers in the dark  
Steal a kiss and you'll break a heart  
Pick up your clothes and curl your toes  
Learn your lesson, lead me home  
Spare my sins for the ark  
I was too slow to depart  
I'm a cad but I'm not a flawed

I set out to serve the Lord.  
But my heart  
Was colder when you'd gone  
I lost my head  
But found the one that I loved  
Under the sun  
Under the sun  
But fingers tap into what you were once  
And I'm worried that I blew my only chance  
But fingers tap into what you were once  
And I'm worried that I blew my only chance  
But my heart  
Was colder when you'd gone  
I lost my head  
But still, while we are young  
While we are young  
While we are young  
While we are young
