

Mumford & Sons - Winter Winds

Tom: G

As the winter winds litter London with lonely hearts
 Oh the warmth in your eyes swept me into your arms
 Was it love or fear of the cold that led us through the night?
 For every kiss your beauty trumped my doubt

And my head told my heart
 Let love grow
 But my heart told my head
 This time no this time no

We'll be washed and buried one day my girl
 And the time we were given will be left for the world
 The flesh that lived and loved will be eaten by plague
 So let the memories be good for those who stay

And my head told my heart
 Let love grow
 But my heart told my head
 This time no
 Yes, my heart told my head

This time no
 This time no

Oh the shame that sent me off from the God that I once loved
 Was the same that sent me into your arms
 Oh and pestilence is won when you are lost and I am gone
 And no hope, no hope will overcome

And if your strife strikes at your sleep
 Remember spring swaps snow for leaves
 You'll be happy and wholesome again
 When the city clears and sun ascends

And my head told my heart
 Let love grow
 But my heart told my head
 This time no
 And my head told my heart
 Let love grow
 But my heart told my head
 This time no
 This time no
