Raios, trovoada, ventania
 Conversando com a calma

Seu lindo bailado, minha flor
 Seu beijo molhado, embriagador

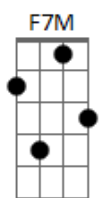

Na magia do Ilú Obá De Min amanhã

0 encontro de Oxalá com Iansã
 Na magia do Ilú Obá De Min amanhã
 0 encontro de Oxalá com Iansã

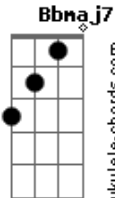

Rasga o céu deixando a noite clara
 Alvo de uma luz deveras rara
 Éparrei Oyá, Epa Babá
 Sob o machado de Oba Jakútà

Na magia do Ilú Obá De Min amanhã
 0 encontro de Oxalá com Iansã
