

Mumuzinho - Curto Circuito

Tom: G

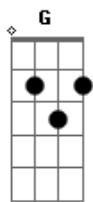

Quem sou eu?
 Não sei quem sou quando estou com você
 Me sinto artista de cinema
 Esqueço de qualquer problema...
 Onde está?
 O meu juízo aonde foi parar?
 Perco o sentido é só você chegar
 Com essa vontade de me namorar

Valeu... conhecer você, valeu
 A gente se envolver, valeu
 Deixar você entrar na minha vida
 Apontei, meu coração e atirei
 Apostei nessa paixão e te ganhei
 Meu amor, esse amor que balança você
 Faz a cuca girar, faz o corpo tremer
 É um curto circuito aqui dentro de mim
 Que explode no peito quando eu tô a fim
