tom:

Bbm
Bbm
Give me that diamond ring

Give me that love on the movie screen
Gb
And I won't feel a thing

Promise I won't feel a thing
Bb
Give me that kiss goodnight

Give me a call, tell me it's alright
Gb
And I won't feel a thing

Promise I won't feel a thing

Bbm Ab
And I guess that I got rewired
Bbm Ab
'Cause you're cold as ice but it feels
Gb Ab Gb Ab
Like fire, fire, fire, fire
Bbm Ab
And the drugs don't work and I don't know why
Bbm
But when you hurt me
Ab Gb Ab Gb Ab
I go higher, higher, higher, higher

Db
But when I'm crying on the bathroom floor
Bbm Ab
Tearing off the dress I wore, I wonder
Db
If I could ever ask for more
Bbm Ab
If I'm ever gonna ask for more from a lover
Db
Crying on the bathroom floor
Bbm Ab
Tearing off the dress I wore, I wonder
Db
If I could ever ask for more
Bbm Ab
If I'm ever gonna ask for more from a lover

Bbm
Give me your disrespect

Give me your pain and loneliness
Gb
And I'll love you the best

Promise I'll love you the best
Bbm
Give me no peace of mind

Give me distrust, give me all your lies
Gb
And I'll love you for life

Promise I'll love you 'til I die
Db
But when I'm crying on the bathroom floor
(Give me some more)
Bbm Ab
Tearing off the dress I wore, I wonder
Db
If I could ever ask for more
(Would you give me some more)
Bbm Ab
If I'm ever gonna ask for more from a lover

(Give me some more)
Bbm Ab
Tearing off the dress I wore, I wonder
Db
If I could ever ask for more
