

# Mundo Bitá - Hora de Tomar Vacina

tom:

A

A

E

Sempre é tempo de cuidar

De quem a gente ama

Olho vivo, fica esperto

Vê se não se engana

Se o assunto for proteção

Preste muita, muita atenção

Pra ficar com tudo em dia

Sem perder a alegria

Hora de tomar vacina

Tem pro menino, tem pra menina

Uma picadinha só

Tem pro vovô e tem pra vovó

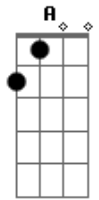

Todo mundo tá contente

Nada de ficar doente

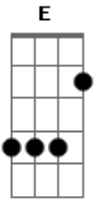

Pois é sempre tempo de cuidar

De quem a gente ama
