

# Munn - Can You Hear Me?

tom:

**Bm**

[Refrão]

**Bm**  
I need somebody  
**G**  
To pull me out of this grave I've filled  
With hate and doubt  
**D**  
I need saved right now  
**A**  
Can you hear me calling out  
Can you hear me

[Primeira Parte]

**Bm**  
I have been a slave for years  
**G**  
A slave to my own doubt  
**D**  
There's life to live  
**A**  
But I'm dying now  
**Bm**  
How am I to show you love  
**G**  
When I can't love myself  
**D**  
I'm crying out  
**A**  
But I can't find help  
Can you help me

[Pré-Refrão]

**Bm**  
Don't patronize  
**G**  
The person I've become  
**D**  
It's a hellish lie  
**A**  
I'm ashamed of all I've done  
**Bm**  
Now I'm terrified  
**G**  
Of the price that is to pay  
**D**  
But I know it's mine  
**A**  
My bed's already made

[Refrão]

**Bm**  
I need somebody  
**G**  
To pull me out of this grave I've filled  
With hate and doubt  
**D**  
I need saved right now  
**A**  
Can you hear me calling out  
Can you hear me

[Refrão]

**Bm**  
I need somebody  
**G**  
To build me back up  
**G**  
Hold me steady  
We're in for the long run  
**D**  
And when it you're ready  
**A**  
We'll both jump  
Yeah we'll both jump  
**Bm**

We're in for the long run  
**D**  
And when you're ready  
**A**  
We'll both jump  
Yeah we'll both jump

[Segunda Parte]

**Bm**  
I know that it's hopeless  
But hoped they'd give notice  
**G**  
To my breaking heart  
**D**  
They look so close  
**A**  
But feel so far  
**Bm**  
I'll spend my days locked away  
**G**  
In this prison I've built for myself  
**D**  
I hold they keys  
**A**  
Still I can't break free
