

Murilo Limma - Só o Amor Pode Vencer

Tom: D

Se o amor é perfeito, por que causa tanta dor ao coração? se for

Pra sofrer juntos, melhor viver na solidão

São tantas as perguntas pelo ar e sem respostas, o amor está entre

Nós dois a se doar

Mas o amor supera toda dor, não sente inveja ou rancor, o

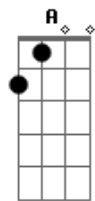

Amor tudo espera, tudo crê, só o amor pode vencer, o amor

Ciúme e egoísmo, defeitos de seres imperfeitos como nós, destroem o sentimento

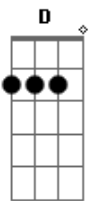

Construído com o tempo, ao som da voz

São raros os momentos, felicidade é como o vento, que escapa pelas nossas mãos
