It's beginning to look a lot like Christmas, everywhere you go

Take a look in the five and ten, glistening once again

With candy canes and silver lanes aglow

It's beginning to look a lot like Christmas, toys in every store

But the prettiest sight to see is the holly that will be

On your own front door

A pair of Hop-a-long boots and a pistol that shoots

Are the wishes of Barney and Ben.

E7 Fdim Bm E7
Dolls that will talk and will go for a walk

Is the hope of Janice and Jen

A7 D D G G D D Gb7
And Mom and Dad can hardly wait for school to start again

It's beginning to look a lot like Christmas, everywhere you go

There's a tree in the grand hotel, one in the park as well

The sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas, soon the bells will start

And the thing that will make them ring is the carol that you sing

Right within your heart, right within your heart
