

Anne Murray - There's Always a Goodbye

tom:

Intro: G G7M C G7M G

Ever since that first night
When I gave my love to you

(D C D G)

Everything just seems so right
You are my sunlight, shining through

(D C D)
(D Eb Em)

And I've tried so, not to let it show
Yet it seems sad, because I know

No matter how hard I try
No matter how hard I try
It's always a goodbye

You smile softly as you leave
My bed and I tightly hold your hand

(G7M C G7M G)

You lean down to kiss my head

But there's nothing to be said

(G7M C G7M)
(D Eb Em)

And if you say you want to stay
I'd know you'd soon be on your way

No matter how hard I try
No matter how hard I try
It's always a goodbye

(G7M C G7M C)

So here we stand, you and I
You are too kind, I'm too shy
To say what we really mean
So we make life a masquerade
Never showing all, only the parts we play

No matter how hard I try
No matter how hard I try
It's always a goodbye
It's always a goodbye
(No matter how hard I try)
(No matter how hard I try)
