

# Anne Murray - There's Always a Goodbye

tom:

Intro: G G7M C G7M G

Ever since that first night  
When I gave my love to you

( D C D G )

Everything just seems so right  
You are my sunlight, shining through

( D C D )  
( D Eb Em )

And I've tried so, not to let it show  
Yet it seems sad, because I know

No matter how hard I try  
No matter how hard I try  
It's always a goodbye

You smile softly as you leave  
My bed and I tightly hold your hand

( G7M C G7M G )

You lean down to kiss my head

But there's nothing to be said

( G7M C G7M )  
( D Eb Em )

And if you say you want to stay  
I'd know you'd soon be on your way

No matter how hard I try  
No matter how hard I try  
It's always a goodbye

( G7M C G7M C )

So here we stand, you and I  
You are too kind, I'm too shy  
To say what we really mean  
So we make life a masquerade  
Never showing all, only the parts we play

No matter how hard I try  
No matter how hard I try  
It's always a goodbye  
It's always a goodbye  
(No matter how hard I try)  
(No matter how hard I try)
