

Muse - Burning Bandits

Tabbed By : Busby_bass (ug name) C

Tuning: standard

from a live version I got hidden somewhere in hyperspaceeeeeeee. As always I'm happy to get feedback good or bad fankoo.

(this might be chris gettin feel for bass)

```

Matt should now play a solo this is just the main riff for bass

after that there is the chorus and the ending is just a variation on the main riff

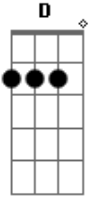

PS BEAR IN MIND THIS IS A VERY ROUGH OUTLINE OF A LIVE VERSION WHENEVER A STUDIO VERSION ARISES IT MAY OR MAY NOT BE SIMILIAR
