

# Muse - Dead Inside

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa Intro: (Am )

Reve-re a million pra-yers  
And draw me into the holiness

But theres nothing there  
Light only shines

From those who share

Unle-ash a million dro-nes  
And confine me then erase me babe  
Do you have no soul  
Its like it di-ed long ago

Your lips feel warm to the touch  
You can bring me back to li-fe  
On the outside you're ablaze and alive  
But you're Dead Inside!

( Am C G ) (2x)

You're fre-e to touch the sk-y  
Whilst I am crushed and pulverised  
Because you need control  
Now I'm the o-ne letting go

You li-ke to give an in-ch  
Whilst I am giving infinity  
But now I've got nothing left

You have no cares  
And I'm bere-ft

C )

Your skin feels warm to caress  
I see magic in your eyes  
On the outside your ablaze and alive  
But you're dead inside!

( Am )

Ponte: Am F C G

Feel me now  
Hold me please  
I need to see who I am  
Open up to me  
Stop hiding from me  
Its hurting babe

Only you can stop the pa-in  
Don't lea-ve me o-ut in the cold  
Don't leave me out to die

I gave you everything  
I can't give you anymore  
Now I've become just like you

My lips feel warm to the touch  
My words seem so ali-ve  
My skin is warm to caress  
I'll control and hypnotise  
You've taught me to lie without a trace  
and to kill with no remorse  
On the outside I'm the greatest guy  
Now I'm dead inside!

( Am )
