

Muse - Dead Inside

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa Intro: (Am)

Reve-re a million pra-yers
And draw me into the holiness
But theres nothing there
Light only shines
From those who share

Unle-ash a million dro-nes
And confine me then erase me babe
Do you have no soul
Its like it di-ed long ago

Your lips feel warm to the touch
You can bring me back to li-fe
On the outside you're ablaze and alive
But you're Dead Inside!

(Am C G) (2x)

You're fre-e to touch the sk-y
Whilst I am crushed and pulverised
Because you need control
Now I'm the o-ne letting go

You li-ke to give an in-ch
Whilst I am giving infinity
But now I've got nothing left
You have no cares
And I'm bere-ft

C)

Your skin feels warm to caress
I see magic in your eyes
On the outside your ablaze and alive
But you're dead inside!

Ponte: Am F C G

Feel me now
Hold me please
I need to see who I am
Open up to me
Stop hiding from me
Its hurting babe

Only you can stop the pa-in
Don't lea-ve me o-ut in the cold
Don't leave me out to die

I gave you everything
I can't give you anymore
Now I've become just like you

My lips feel warm to the touch
My words seem so ali-ve
My skin is warm to caress
I'll control and hypnotise
You've taught me to lie without a trace
and to kill with no remorse
On the outside I'm the greatest guy
Now I'm dead inside!
