and I hope it does well. I listened to the single loads and watched the video (what little bits i could make out anyway!) and im pretty sure its right, although im not sure about the solo near the end.  
 Anyway, enjoy!

Drop-D tuning

=Harmonic  
 Intro:

Main Riff

(Hit this chord quietly over the 577 bits second time around)

e|---  
 B|-9--  
 G|-7--  
 D|-0--

(these harmonics should be hit on the 3rd fret)

(these harmonics should be hit on the 3rd fret)

Verses

Here are the chords for the Verses. Play the chord high to low,

## Acordes

(**B** string, **G** string, then **D** string) then back up again (**D** string, **G** string, then **B** string). Hit each note **TWICE** so it has a double-time feel.

First first part

Second second part

Also, play the Main Riff palm muted intermitantly over this. Listen to the track for which parts to play and when.

Pre-Chorus

Chorus

(these harmonics should be hit on the 3rd fret)

Chorus plays straight into Main Riff

Solo

This is all play very fast as one continuous solo, but i've broken it down into the four sections that are repeated.

Interlude (after solo)
