

Muse - Futurism

Tom: **C**
Intro: **Am Dm**

Am E Dm
Ignorance pulls apostasy and apathy still rules yeah you know
it's cool
Just suck and see a future turn us into silent gods and i
won't miss you at all

Fate can't decide alignment of the planets in your hands, come
on crush our plans
Just suck and see a future that won't let you disagree and i
won't miss you at all
Gb Bb B Bm
Grounded boxed in like the evil in your veins
Grounded boxed in I am stuck with you
Feel it hear it apathy, see it be it you'll see
