

Muse - Guiding Light

Tom: C

When ^C pure Hearts and ^{Am} stumble
 In my hands they crumble
 And fragile and stripped to the core
 I can't hurt you anymore

Loved by numbers
 You loosing, life's wonder
 And touch like strangers detached
 I can feel you anymore

And sunshine, trapped in our hearts
 It could rise again
 But I'm lost and crushed

^{Am} I'm cold and confused with no ^F guiding light left ^{Dm} inside

^F You were ^C guiding, light, oooh oooh oooh woah

(guitar solo) (C Am F G G)

^{Am} Ho, Ho, Ho, Haaaaaa

And come from and won't come befouled I still reach for you

But I'm lost and I'm crushed

^{Am} I'm cold and confused but not ^F guiding light left ^{Dm} inside

You're my ^F guiding, ^C light

You're my ^F guiding, ^C light

There is no ^F guiding, ^{Fm} light left ^C inside

There's no ^F guiding light in us ^{Fm}
