

Muse - Guiding Light

Tom: C

When ^C pure Hearts and ^{Am} stumble
 In my hands they crumble
 And fragile and stripped to the core
 I can't hurt you anymore

Loved by numbers
 You loosing, life's wonder
 And touch like strangers detached
 I can feel you anymore

And sunshine, trapped in our hearts
 It could rise again
 But I'm lost and crushed

I'm cold and confused with no guiding light left inside

You were guiding, light, oooh oooh oooh woah

(guitar solo) (C Am F G G)

Ho, Ho, Ho, Haaaaaaaaa

And come from and won't come befouled I still reach for you

But I'm lost and I'm crushed

I'm cold and confused but not guiding light left inside

You're my guiding, light

You're my guiding, light

There is no guiding, light left inside

There's no guiding light in us
