

Muse - Liquid State

Tom: **F**

Riff 1:

Riff 2 (usado durante toda a música):

Intro: **A** | Riff 1 | Riff 2

A guitarra começa segurando **A** enquanto o baixo faz o Riff 1. Depois, os dois tocam o Riff 1 até a entrada da bateria, onde começa o segundo riff.

A Take me for a ride **F** Break me up and steal what's left inside

And hope and pray iniquity has died inside and left a scar. **D** **A**

A I'm on red alert **F** Bring me peace and wash away my dirt

Spin me round and help me to divert and walk into the light **D** **A**

Dm Warm my heart tonight

Bb Hold my head up high

Gm Help me to survive **Dm**

A Kick me when I'm down. Feed me poison, fill me till I drown **F**

Wake me up before I get pushed out and fall into the night **D** **A**

Dm Warm my heart tonight (force me to lose control)

Bb Hold my head up high (watch as I lose my soul)

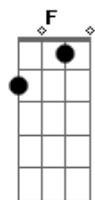

Gm Help me to survive (push me until I fall) **Dm**

Final (eles voltam a repetir a 1ª parte da introdução):

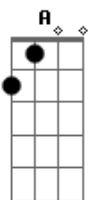

A (Matt dá 'uns harmônicos' antes de tocar o riff) | Riff 1 |

C **A**
