Can you feel that I have needed.....

I'll do it on my own

She had something to confess to  
But you don't have the time so look the other way  
You will wait until its over  
To reveal what you've never shown her  
Too little much to late

Too long trying to resist it  
You've just gone and missed it  
It's escaped your world

Too long trying to resist it  
You've just gone and missed it  
It's escaped your world

Can you feel that I have needed

Solos.....
