

# Muse - Plug In Baby

Tom: G

I've exposed your lies, baby  
 The underneath is no big surprise  
 Now it's time for changing  
 And cleansing everything  
 To forget your love  
 ( Gb F#- )  
 My plug in baby  
 Crucifies my enemies  
 When I'm tired of giving Whoaaa  
 My plug in baby  
 In unbroken virgin realities  
 Is tired of living Ooooooo-yeah  
 Don't confuse  
 Gb

Baby you're gonna lose  
 Your own game  
 Change me  
 Replace the envying  
 To forget your love  
 ( Gb F#- )  
 My plug in baby  
 Crucifies my enemies  
 When I'm tired of giving Whoaaa  
 My plug in baby  
 In unbroken virgin realities  
 I'm tired of living Ooooooo-yeah  
 And I've seen your loving  
 But mine is gone  
 And I've been in trouble Yeaahhh
