( Am G F E Am G F E )  
 Is your secret <sup>Am</sup> safe tonight?  
 And are we out of sight?  
 Or will our world <sup>F</sup> come tumbling <sup>E</sup> down?  
 Will they find our <sup>Am</sup> hiding place?  
 Is this our <sup>G</sup> last embrace?  
 Or will the walls <sup>F</sup> start caving in?

Bridge:  
<sup>F</sup> (It could be wrong, could be wrong) But it should've been <sup>Am</sup> right  
 (It could be wrong, could be wrong) Let our hearts <sup>G</sup> ignite  
 (It could be wrong, could be wrong) Are we digging a hole?  
 (It could be wrong, could be wrong) This is outta control  
 (It could be wrong, could be wrong) It could never last <sup>Am</sup>  
 (It could be wrong, could be wrong) Left to raise it fast <sup>G</sup>  
 (It could be wrong, could be wrong) But it could've been right <sup>F</sup>  
 (It could be wrong, could be)

(Chorus)  
<sup>C</sup> Love is our resistance  
 They keep us apart and they won't stop breaking us down <sup>G</sup>  
 And hold me, our lips must always be sealed <sup>Am F E</sup>  
 ( Am G F E )

If we live our life in fear <sup>Am</sup>  
 I'll wait a thousand years <sup>G</sup>  
 Just to see you smile again <sup>F E</sup>  
 Quell your prayers for love and peace <sup>Am</sup>  
 You'll wake the thought police <sup>G</sup>  
 We can hide the truth inside <sup>F E</sup>  
 (Bridge)  
<sup>F</sup> (It could be wrong, could be wrong) But it should've been <sup>Am</sup> right  
 (It could be wrong, could be wrong) Let our hearts <sup>G</sup> ignite  
 (It could be wrong, could be wrong) Are we digging a hole?  
 (It could be wrong, could be wrong) This is outta control  
 (It could be wrong, could be wrong) It could never last <sup>Am</sup>
