

Muse - Shrinking Universe

Tom: C

Am Dm E Am

Cast your eye tears on to me and I'll show you what you really need

Give too much attention and I'll reflect your imperfections

Purposeless survival now there's nothing left to die for
So don't struggle to recognize another coldly heart-felt suicide

A7 Dm Am Dm E

Can't you see it's over because you're the god of a shrinking universe
