tom: G

se Regalar

Negra Mariama chama pra dançar, sarava esperança até o sol raiar

Negra Mariama chama pra enfeitar o andor, porta-estandarte, para ostentar

A imagem Aparecida em nossa escravidão, com o rosto dos pequenos

Cor de quem é irmão

Negra Mariama chama pra cantar que Deus uniu os fracos pra se libertar

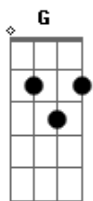

E derrubou dos tronos os latifundiários que escravizaram pra

No samba está presente o sangue derramado, o grito e o silêncio dos martirizados

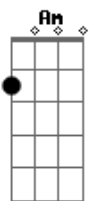

Negra Mariama chama pra lutar em nossos Movimentos, sem desanimar

Levanta a cabeça dos espoliados, nossa companheira chama pra avançar
