

Os Mutantes - Baby

```
tom:
              D
You know, you must take a look at the new land
                      D G D
The swimming pool and the teeth of your friend
The dirt in my hand
                      D
You know, you must take a look at me
 D
Baby, baby
 Bm Em
I know that's the way
                              D
You know, you must try the new ice-crem flavour
          G
Do me a favour, look at me closer
  D
Join us and go far
    G
And hear the new sound of my bossa nova
Baby, baby
Bm Em
                    Α7
```

```
It's been a long time
You know, it's time now to learn portuguese
                        D
It's time now to learn what I know
And what I don' t know
               D G D
And what I don't know
And what I don't know
      G
I know, with me everything is fine
It's time now to make up your mind
                          D
We live in the biggest city of South America
       D
Of South America
Of South America
                            G
         D
Look here read what I wrote on my shirt
Baby, baby
Bm Em A7
I love you
You do!
