

# Os Mutantes - Caminhante Noturno

Tom: G

**D**  
 No chão de asfalto  
 Eco, um sapato  
**Am** **Bm7**  
 Pisa o silêncio  
**C** **E E**  
 Caminhante noturno  
**Am** **Am7** **Am7**  
 Fúria de ter nas suas mãos  
**Am**  
 Dedos finos de alguém  
**F** **Am**  
 A apertar  
**Eb** **E E**  
 A beijar

**A** **G** **D** **G**  
 Vai caminhante, antes do dia nascer  
**A** **G** **D** **G**  
 Vai caminhante, antes da noite morrer  
**A** **G**  
 Vai caminhante

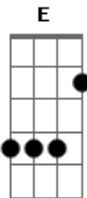

Luzes, câmera  
 Canção, que horas são?  
 Sombra na esquina  
 Alguém, Maria

Sente a pulsar  
 Um amor musculoso  
 Vai encontrar esta noite  
 O amor sem pagar  
 Sem falar  
 A sonhar

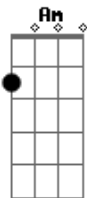

No chão vê folhas  
 Secas de jornal  
 Sombra na esquina  
 Alguém, Maria

Pisa o silêncio  
 Caminhante noturno  
 Foge do amor  
 Que a noite lhe deu sem cobrar  
 Sem falar  
 Sem sonhar
