

Mxmtoon - Mona Lisa

Intro: D Em D tom:
 I've always played the part of Shakespeare
 I hide behind the ink and pen
 I build up worlds and choose a savior (savior, savior)
 I write beginning, middle, end
 I'm so tired of being a book on the shelf
 (sook on the shelf)
 Tired of stories for somebody else (somebody else)
 Think that I'm ready to start a new chapter
 I've been looking for some way
 To turn it around (turn it around)
 Looking for someone to give me
 The crown (give me the crown)
 And I wanna feel like I finally matter
 I wanna be a Mona Lisa, ah-ah
 The kinda girl that you can dream of, ah-ah
 And I always had the words, but I don't wanna say it
 Wish I could paint a smile on my face
 I wanna be a Mona Lisa
 So is there anybody out there
 Who could change my point of view?
 The way that Van Gogh uses yellow
 Or the self in Frida Kahlo
 I could be that for you

I'm so tired of being a
 Book on the shelf (book on the shelf)
 Tired of stories for somebody else (somebody else)
 Think that I'm ready to start a new chapter
 (think I'm ready, baby)
 I've been looking for some way
 To turn it around (turn it around)
 Looking for someone to
 Give me the crown (give me the crown)
 I wanna feel like I finally matter
 I wanna be a Mona Lisa, ah-ah
 (I wanna be a Mona Lisa, baby)
 The kinda girl that you can dream of, ah-ah
 (The kinda that you can dream of maybe)
 And I always had the words, but I don't wanna say it
 Wish I could paint a smile on my face
 I wanna be a Mona Lisa
 I think I'm ready for my close-up, baby
 There's nothing left to do
 And nothing left to lose
 Let me be your muse
 Ah-ah (I wanna be a Mona Lisa, baby)
 Ah-ah (the kind of girl that you can dream of)
 And I always had the words, but I don't wanna say it
 Wish I could paint a smile on my face
 I wanna be a Mona Lisa (ah-ah)
