

# Mxmtoon - Please Don't

Tom: C  
Intro: C C7 Am F

C  
Please don't give up on me  
I know i'm not perfect, but i'm trying  
I said i'm trying

C  
So please don't give up on me  
I know i'm not perfect  
But I'm trying

C  
You're the only person that I've trusted  
Never forcing me to talk until i'm adjusted  
So I,  
Just wanted to thank you

C  
And I know I can be difficult  
I know I can be sad  
But for some reason you're still here  
Standing to my side

C  
So please don't give up on me  
I know i'm not perfect  
But I'm trying

C  
You're stuck to my side and I don't know why  
But please don't go, I don't want you to go  
I don't want you to go  
And I know I can be difficult and hard to understand  
But for some reason so far you've stuck around  
So please don't leave me now

F  
Please don't leave me now

( C C7 Am F )

C  
It might seem a little selfish, and if it is i'm so sorry  
I just don't feel safe without you, when you're gone it just feels so god  
damn dreary  
So goddamn dreary

C  
And I wanna be there for you, I mean that's the least I can do  
I'm just working on myself and I need a little help to make it through  
So thank you for being there for me, even if sometimes I disagree  
With things you have to say to me, but your honesty is really key

C  
So please don't give up on me  
I know i'm not perfect  
But I'm trying

C  
Please don't give up on me, I'm still just learning taking baby steps  
as I go. Steps as I go

C  
So please don't give up on me  
I know i'm not perfect  
But I'm trying  
I'm trying

C C7 Am F  
Please  
I say, Please
