

Mxmtoon - Seasonal Depression

tom:

Bb

I just don't see a whole lot of sun
 And lately I just can't seem to have any fun
 I look outside my window
 It's so dark I feel my eyes begin to close

Seasonal depression's
 Got me sleeping off the days
 And I've wasted all my time feeling grey

When the sun peeks out I sit outside
 To bask in my tiny bit of light
 To warm, the cold that I feel inside

Been locked up in here
 With the rain coming down
 I tried to fool myself
 To lift up my frown
 But a cup of tea and a nap don't solve my problems
 I don't like LA
 'Cept for tacos and Venice

But God I would move
 Get some rays and play tennis
 And tell my Lyft driver to turn up the volume

Seasonal depression's
 Got me sleeping off the days
 And I've wasted all my time feeling grey

When the sun peeks out I sit outside
 To bask in my tiny bit of light
 To warm, the cold that I feel inside

We're all just trying to get by
 Searching desperately for a bit of blue in the sky
 Sometimes it's hard to wake on up
 It takes more than loads of coffee in your cup

'Cause, seasonal depression's
 Got us sleeping off the days
 And we've wasted all our time feeling grey

When the sun peeks out we sit outside
 To bask in our tiny bit of light
 To warm, the cold that we feel inside
