

My Chemical Romance - Blood

Tom: A

No teclado(original da música) fica mais bonito mais no violão ou guitarra também fica show.

Verse:

Well they encourage all complete cooperation,
 Send you roses when they think you need to smile.
 I can't control myself because I don't know how,
 And they love me for it honestly,
 I'll be here for a while.

Chorus:

So give them blood, blood, gallons of the stuff!
 Give them all that they can drink
 And it will never be enough.
 So give them blood, blood, blood.

Grab a glass because there's going to be a flood!

Verse:

A celebrated man amongst the gurneys.
 They can fix me proper with a bit of luck.
 The doctors and the nurses they adore me so,
 But it's really quite alarming
 Cause I'm such an awful fuck. (Oh thank you!)

I gave you blood, blood, gallons of the stuff,
 I gave you all that you can drink
 And it has never been enough.
 I gave you blood, blood, blood,
 I'm the kind of human wreckage that you love
