

My Chemical Romance - Bulletproof Heart

Tom: G

(refrão)

Gravity, don't mean too much to me

I'm who I've got to be

These pigs are after me, after you

Run away like it was yesterday

And we could run away

If we could run away, run away from here

(verso)

I got a bulletproof heart

You got a hollow-point smile

Me and your runaway scars

Got a photograph dream on the getaway mile

Let's blow a hole in this town
Too much talking with a laser blade
Gunning out of this place in a bullet's embrace
Then we'll do it again

(pré-refrão)

How can they say?

Jenny could you come back home?

Cause everybody knows you don't

Ever wanna come back

Let me be the one to save you

(refrão)

(verso 2)

(pré-refrão)

(refrão)

(ponte)

And though I know how much you hate this

Are you gonna be the one to save us

From the black and hopeless feeling

Will you mean it when the end comes reeling

Hold your heart into this darkness
Will it ever be the light to shine you out
Or fail and leave you stranded
I ain't gonna be the one left standing

You ain't gonna be the one left standing

We ain't gonna be the ones left standing

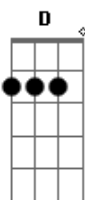

(refrão)
