Lyrics:
My Chemical Romance - Dead!

And if your heart stops beating,
I'll be here wondering,
Did you get what you deserve?
The ending of your life
And if you get to heaven
I'll be here waiting, baby,
To get what you deserve,
The ending of your life

Won't wait,
And my heart can't take this hurt,

You heard the news that you're dead,

I know I never had much nice to say,
I'm thinking about you anyways,
Take me from the hospital bed,
(in audible)
And wouldnt it be great if we were dead,
We're Dead!

So tired and Oh so squeamish,
You never felt enough,
To get what you deserve
The ending of your,
And if you get to heaven,
I'll be here waiting, baby,
To get what you deserve,
The ending of your life,
Won't wait,
And your heart can't take this hurt,

You heard the news that youre dead
i know i never had much nice to say,
I'm Thinking about you anyways,
You're Dead,
Before the hospital bed,
Walking around and you're kissing my hand,
And we're wondering away that's what,

We're,

And in my honest observation
during this operation
found a complication in your heart so wrong,
Cause now you've gone
Maybe just two weeks to live
is that the most ,THE MOST THAT YOU CAN GIVE?!,
Let's go,

Na na na na na,
Na na na na na,
Na na na na na,
Na na na na na,
Na na na na na,
Na na na na na,

Did you just do,
That here and now,
It's just a joke,
And why are we broke,
It's just a joke,
And we'd you go,
It's just a joke
And what have I done? Dead!
