Well I was there on the day
They sold the cause for the queen
And when the lights all went out
We watched our lives on the screen
I hate the ending myself
But it started with an alright scene

It was the roar of the crowd
That gave me heartache to sing
It was a lie when they smiled
And said, "you won't feel a thing"
And as we ran from the cops
We laughed so hard it would sting
Yeah yeah, oh

If I'm so wrong (so wrong, so wrong)
How can you listen all night long? (night long, night long)
Now will it matter after I'm gone?
Because you never learn a goddamned thing

You're just a sad song with nothing to say
About a life long wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to ya

I spent my high school career
Spit on and shoved to agree
So I could watch all my heroes

Sell a car on tv
Bring out the old guillotine
We'll show 'em what we all mean
Yeah yeah, oh

If I'm so wrong (so wrong, so wrong)
How can you listen all night long? (night long, night long)
Now will it matter after I'm gone?
Because you never learn a goddamned thing

You're just a sad song with nothing to say
About a life long wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to ya

So go, go away, just go, run away
But where did you run to? And where did you hide?
Go find another way, price you pay
