

My Chemical Romance - Disenchanted

tom:

D

D

Well, I was there on the day

They sold the cause for the queen

Bm

And when the lights all went out

We watched our lives on the screen

G

I hate the ending myself

A

But it started with an alright scene

D

It was the roar of the crowd

That gave me heartache to sing

Bm

It was a lie when they smiled

And said: You won't feel a thing

G

And as we ran from the cops

A

We laughed so hard it would sting

Bm

Em

If I'm so wrong (so wrong, so wrong)

A

How can you listen all night long?

Bm

(Night long, night long)

Bm

G

Now, will it matter after I'm gone?

A

Because you never learn a goddamned thing

D

You're just a sad song with nothin' to say

Bm

About a life-long wait for a hospital stay

Em

Well, if you think that I'm wrong

A

This never meant nothing to ya

D

I spent my high school career

Spit on and shoved to agree

Bm

So I could watch all my heroes sell a car on TV

G

Bring out the old guillotine

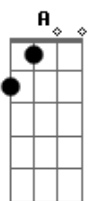

A

We'll show 'em what we all mean

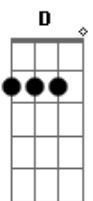

Bm

Em

And where did you hide?

Go find another way
