

My Chemical Romance - Famous Last Word

Tom: C

Now I know
that I can't make you stay

But where's your heart?

But where's your heart?

But where's your...

And I know there's nothing I can say

To change that part

To change that part

To change...

So many bright lights that cast a shadow

But can I speak

Well, is it hard understanding?

I'm incomplete

A life that's so demanding

I get so weak

A love that's so demanding

I can't speak

(Refão)

I am not afraid to keep on living

I am not afraid to walk this world alone

Honey, if you stay, I'll be forgiven

Nothing you can say could stop me going home

Can you see my eyes are shining bright?

'Cause I'm out here on the other side

Of a jet black hotel mirror

And I'm so weak

Is it hard understanding?

I'm incomplete

A love that's so demanding

I get weak

(Refão)

F

I am not afraid to keep on living
I am not afraid to walk this world alone

Honey, if you stay, I'll be forgiven

Nothing you can say could stop me going home

I am not afraid to keep on living

I am not afraid to walk this world alone

Honey, if you stay, I'll be forgiven

Nothing you can say could stop me going home

(Solo)

These bright lights are always blinded to me	
These bright lights are always blinded to me	Parte cantada
enquanto toca o solo	
I said	

I see you lying next to me with words I thought I'd never speak

Awake and unafraid,

a sleep or dead.

'Cause I see you lying next to me with words I thought I'd never speak

Awake and unafraid,

a sleep or dead

(Refrão)

I am not afraid to keep on living

I am not afraid to walk this world alone

Honey, if you stay, I'll be forgiven

Nothing you can say could stop me going home

I am not afraid to keep on living

I am not afraid to walk this world alone

Honey, if you stay, I'll be forgiven

Nothing you can say could stop me going home

I am not afraid to keep on living

I am not afraid to walk this world alone

Honey, if you stay, I'll be forgiven

Nothing you can say could stop me going home
