

My Chemical Romance - Helena

```
Tom: E
                                                              like a blade you stain, I've been holding on tonight.
 (com acordes na forma de D )
                                                             [Refrão]
Capostraste na 2ª casa
                                                             (D)
Long ago, just like the hearse you died to get in again.
                                                              Whats the worst thing I can say? Things are better if I stay.
               Α
          Bm
                                                                             Bbm
We are so far from you
                                                              So long and goodnight, so long and goodnight!
                                                              And if I carry on this way, thing are better if I stay.
                                                                              Bbm
Burning on, just like a match you start to incinerate
                    Bm
                                                              So long and goodnight, so long and goodnight!
the lives, of every one you knew.
            Gbm
                                       Bm
                                                             [Ponte]
And whats the worst to take, from every heart you break.
               G
                                 Bm
like a blade you stain, I've been holding on tonight.
                                                                        hear
                                                                                me?
                                                             Can
                                                                  you
                                                             Bm
                                                                   G
                                                                         Bm
(D)
                                                             Are you
                                                                         near
                                                                                me?
Whats the worst thing I can say? Things are better if I stay.
                                                                                 Bm
                                                             Can we pretend to leave again?
                Bbm
So long and goodnight, so long and goodnight!
                                                                 Bm
                                                                     G
                                                             And meet again when both our cars collide!
[Verso]
                                                             [Refrão final]
Came a time, where every star fall brought you to tears
                                                             (D)
                                                                                                         Bbm
                                                              Whats the worst thing I can say? Things are better if I stay.
again.
                   Bm
                                                                             Bbm
we are the very hurt you sold.
                                                              So long and goodnight, so long and goodnight!
             Gbm G
                                                                                                   Bbm
                                                                                     Α
                                                              And if I carry on this way, thing are better if I stay.
And whats the worst to take, from every heart you break.
                                                                             Rbm
                                  Bm
                                                              So long and goodnight, so long and goodnight!
