 I know a thing about contrition
 'Cause I got enough to spare
 And I'll be grantin' your permission
 Cause you haven't got a prayer
 I said, hey hallelujah
 Well come on, sing the praise
 Let the spirit come on through ya
 We got innocence for days

Verso:
 (Em C B)
 Well a ring around the ambulance
 Like I never gave a care
 I said, choir boys surround you
 It's a compliment, I swear
 I said, ashes to ashes, we all fall down
 I wanna hear you sing the praise
 I said, ashes to ashes, we all fall down
 We got innocence for days
