

My Chemical Romance - I Don't Love You

```
Tom: G
                                                                 sometimes i cry so hard from pleading
                                                                 so sick and tired of all the needless beating
  Guitarra 1: Ray Toro
                                                                 but baby when they knock you down and out
Guitarra 2: Frank Iero
                                                                 it's where you oughta stay
Guitarra 1:
                                                                 and after all the blood that you still owe
                                                                 another dollar's just another blow
Guitarra 2:
                                                                 so fix your eyes and get up, better get up \ensuremath{\text{\textbf{C}}}
Guitarra 1:
                                                                 while you can
                                                                 Refrão:
Guitarra 2:
                                                                 When you go
Intro: C Am G F G
                                                                 would you have the guts to say
Verso:
                                                                 i don't love you
Well when you go
                                                                 like i loved you
so never think i'll make you try to stay
                                                                         C Bb A
                                                                 yesterday
and maybe when you get back
                                                                 i don't love you
I'll be off to find another way
                                                                 like i loved you
And after all this time that you still owe
                                                                      C Bb A
                                                                 yesterday
you're still the good for nothing i don't know
                                                                 i don't love you
so take your gloves and get out, better get out
                                                                          G
                                                                 like i loved you
while you can
                                                                 yesterday
Refrão:
                                                                 Solo
When you go
                                                                 Guitarra 2(Base) D G C B A D G C
would you even turn to say
                                                                 Guitarra 1(Solo)
i don't love you
                                                                 Parte 1:
like i did
                                                                 Parte 2:
yesterday
Verso:
                                                                 Parte 3:
```
