

# My Chemical Romance - It's Not a Fashion Statement, It's a Deathwish

tom:  
Intro: Dbm A B Ab

For what you did to me  
And what I'll do to you  
You get what everyone else gets  
You get a lifetime  
Go!

( Dbm A B Ab )

Let's go

[Primeira Parte]

Do you remember back there  
When we met?  
You told me this gets harder  
Well it did  
Been holding on forever  
Promise me that when I'm gone  
You'll kill my enemies

[Refrão]

The damage you've inflicted  
Temporary wounds  
I'm coming back from the dead  
And I'll take you home with me  
I'm taking back the life you stole

[Post-Refrão]

We never got that far  
This helps me to think  
All through the night  
Bright lights that won't kill me now  
Or tell me how  
Just you and I  
Your starless eyes remain

[Segunda Parte]

Hip hip hooray for me  
You talk to me

But would you kill me in my sleep?  
Lay still like the dead  
From the razor to the rosary  
We could lose ourselves  
And paint these walls in pitchfork red

[Chrous]

I will avenge my ghost  
With every breath i take  
I'm coming back from the dead  
And I'll take you home with me  
I'm taking back the life you stole

[Ponte]

This hole you put me in  
Wasn't deep enough  
And I'm climbing out right now  
You're running out of places  
To hide from me

[Final]

When you go  
Just know that I will remember you  
If living was the hardest part  
We'll then one day  
Be together  
And in the end we'll fall apart  
Just like the leaves  
Change in colours  
And then I will be with you  
I will be there one last time now  
When you go  
Just know that I will remember you  
(It goes on in a similar vein...)  
I've lost my fear of falling  
I will be with you  
I will be with you  
( Dbm )
