

My Chemical Romance - Our Lady Of Sorrows

Tom: Db

Tuning: Standard

Intro:

Verse 1:

We could be perfect one last night
 And die like star-crossed lovers when we fight
 And we can settle this affair
 If you would shed your yellow take my hand
 And then we'll solve the mystery of laceration gravity
 This riddle of revenge please understand it has to be this way
 Stand up fucking tall
 Don't let them see your back
 Take my fucking hand
 and never be afraid again

Verse 2:

We've only got one chance to put this at an end

and cross the patron saint of switchblade fights
 You said we're not celebrities, we spark and fade, they die by
 threes
 I'll make you understand and you can trade me for an
 apparition
 Stand up fucking tall
 Don't let them see your back
 Take my fucking hand
 and never
 Bridge, solo:
 Trust, you said
 Who put the words in your head
 Oh how wrong we were to think
 That immortality meant never dying
 Stand
 Take my fucking hand
 Take my fucking...
 Stand up fucking tall
 Don't let them see your back
 Take my fucking hand
 and never be afraid again
 Just because my hands around your throat!
