

# My Chemical Romance - Our Lady Of Sorrows

Tom: Db

Tuning: Standard

Intro:

Verse 1:

We could be perfect one last night  
 And die like star-crossed lovers when we fight  
 And we can settle this affair  
 If you would shed your yellow take my hand  
 And then we'll solve the mystery of laceration gravity  
 This riddle of revenge please understand it has to be this way  
 Stand up fucking tall  
 Don't let them see your back  
 Take my fucking hand  
 and never be afraid again

Verse 2:

We've only got one chance to put this at an end

and cross the patron saint of switchblade fights  
 You said we're not celebrities, we spark and fade, they die by  
 threes  
 I'll make you understand and you can trade me for an  
 apparition  
 Stand up fucking tall  
 Don't let them see your back  
 Take my fucking hand  
 and never  
 Bridge, solo:  
 Trust, you said  
 Who put the words in your head  
 Oh how wrong we were to think  
 That immortality meant never dying  
 Stand  
 Take my fucking hand  
 Take my fucking...  
 Stand up fucking tall  
 Don't let them see your back  
 Take my fucking hand  
 and never be afraid again  
 Just because my hands around your throat!
