

My Chemical Romance - Teenagers

Tom: E

they're gonna clean up your looks with all the lies in the books

to make a citizen out of you

because they sleep with a gun

and keep an eye on you, son

so they can watch all the things you do

because the drugs never work

they're gonna give you a smirk

'cause they got methods of keeping you clean

they're gonna rip up your heads

your aspirations to shreds

another cog in the murder machine

Refrão:

They said "Now, Teenagers scare the living shit out of me.

They could care less as long as someone will bleed."

So darken your clothes

or strike a violent pose

Maybe they'll leave you alone,

but not me

The boys and girls in the clique,

the awful names that they stick,

you're never gonna fit in much kid,

but if you're troubled and hurt,

what you've got under your shirt,

will make them pay for things that they did

They said "Now, Teenagers scare the living shit out of me.

They could care less as long as someone will bleed."

So darken your clothes

or strike a violent pose

Maybe they'll leave you alone,

but not me
