

# My Chemical Romance - The Jetset Life Is Gonna Kill You

tom:

Gaze into her killing jar  
 I'd sometimes stare for hours (sometimes stare for hours)  
 She even poked the holes so I can breathe  
 She bought the last line, I'm just the worst kind  
 Of guy to argue. With what you might find  
 And for the last night I lie. Could I lie with you?

[Refrão]

Alright, give up, she takes the hardest part of living  
 Alright, she wants It all to come down this time

[Segunda Parte]

Lost in the prescription she's got something else in mind  
 Check into the Hotel Bella Muerte  
 It gives the weak flight. It gives the blind sight  
 Until the cops come. Or by the last light  
 And for the last night I lie. Could I lie next to you?

## Acordes

Alright, give up, she takes the hardest part of living

 Alright, give up, she takes the hardest part of living  
 Alright, she wants It all to come down this time

[Ponte]

Pull the plug. But I'd like to learn your name  
 And holding on. Well I hope you do the same. Aw sugar  
 Slip into the tragedy you've spun this chamber dry
