

# My Chemical Romance - The Kids From Yesterday

Tom: D  
Intro: 2x: D G Bm G

And now this could be the last of all the rides we take  
So hold on tight and don't look back  
We don't care about the message or the rules they make  
We'll find you when the sun goes black

Chorus;

And you want to live forever in the lights you make  
When we were young we used to say  
That you only hear the music when your heart begins to break  
Now we are the kids from yesterday

D G Bm G x2

All the cameras watch the accidents and stars you hate  
They only care if you can bleed  
Does the television make you feel the pills you ate?

Or every person that you need to be

And you want to live forever in the lights you make  
When we were young we used to say  
That you only hear the music when your heart begins to break  
Now we are the kids from yesterday

D G Bm G x3

Cause you wanna live forever in the lights you make  
When we were young we used to say  
That you only hear the music when your heart begins to break  
Now we are the kids from yesterday  
We are the kids from yesterday  
We are the kids from yesterday  
We are the kids from yesterday  
Today, Today
